Chapter 1 by Wolf Skillz

Night didn't want to admit it, but she was running out of time.

She had one year.

One year before she died.

And she hadn't told anybody.

It was a long story, really.

When she had been younger, she'd made a huge mistake, and now she was cursed. She'd been given until she was sixteen. Today she turned fifteen, which was usually a cause for celebration, for that was when girls turned into young women.

And so she'd put on a smile, dressed in nice clothes and celebrated with everyone else.

But inside, she was becoming desperate.

She hadn't even told Flame, her best friend since they were both only eight years old.

Flame, who was as fiery as his name, quick to fight and easy to make laugh. Flame, who the village girls would crowd around and admire him.

He wouldn't understand.

He'd look for a way to fight.

But this wasn't something anyone could fight.

Because this time...

There was no way out.
